Period _____

Student Survey: To be turned into teacher.

It's just to help me get to know you.

Technology:

Do you have internet (wifi, 3G, 4G, etc) enabled gadgets?

If you have one or more gadgets, which ones can you use at home?

Which ones could you bring to school?

If you have one or more gadgets, what do you usually use them to do?

What apps, games, websites, etc. do you find most useful? Why?

How could you use gadgets to help you learn?

Would you want to use gadgets in class to help you learn? If so what is the best way to use them in class?

Learning:

I know I'm successful in a class when

To be successful in class, I usually ?

To help me be successful, the teacher

I learn best when.

I learn the least when

School would be better if.

I like a class to be

I like to work

All About Me:

Something I want you to know about me.

My favorite thing.

I enjoy spending my time

After school I

If I could change one thing about life it would be

In the future I want to

After I graduate I plan to

To be successful in my future career, I need to be able to

I will gain the skills I need to be successful in my future career by

When I am speaking with someone, I know they respect me because they.

When I am speaking with someone, they know I respect them because I.

I show I feel disrespected by

If the teacher needs to ask me to do something, the best way to ask is.

If someone is bothering me, I would let them know by.

If I am doing something that bothers someone, I would want that person to let me know by

One last thing. . . (Anything else you want to share?)
